WHAT WE ARE

SOHO-MUD is being established in the year 1989 by Mr. Sohon Lal to provide raw material in the ceramic sector with best quality and economical price. SOHO Group also make it's presence in hardware industry. But in year 2020 company has decided to approach Sanitaryware with the vision of premium product quality and favourable to common man's pocket as well as architects and builders friendly.

SOHO has focused in the perfect sanitaryware with white range, coloured range and designerware to grace your home interior. Our R&D team constantly strives to introduce most unique and suitable design on international appeal.

In the production line our crafter follow high grade quality procedure to ensure that our product becomes the center of attraction. Market as guide, technology to development and servival by quality is the insistent principle and management of our company. We are always your trustworthy partner.

Keep Clean Keep Safe...

DOMESTIC APPROACH

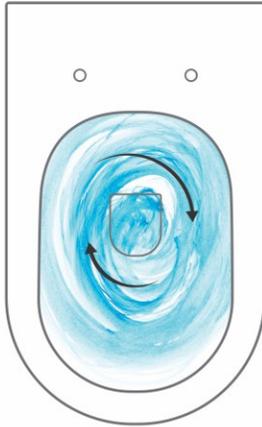

ASSURANCE OF SAFETY & HYGINE

SOHO uses technology to make seat cover total germ free which ensure safeguard of water closets.

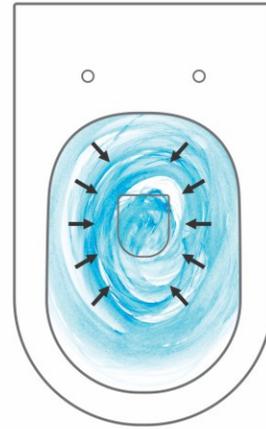

FLUSH WAY OUTS

Tornado

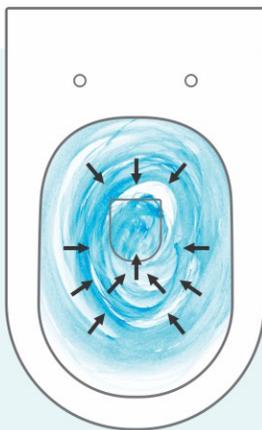

Cyclonic rinsing created by two powerful nozzles in this tornado flushing.

Wash Down

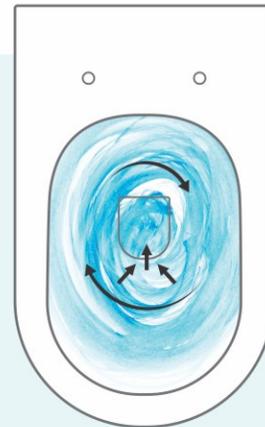

Wash down flushing use the weight and gravitational flow of water as it include dual flushing.

Siphonic

Another name of siphonic is suction flushing systems. This creates the narrow Q shaped trap way.

Siphonic with Tornado

This combination brings height quality of hygiene and one of the easiest to maintain flushing systems.
